Greater Charleston USBC Association

8th Annual Open Senior Championship Handicap Tournament

Tournament Rules

1. This tournament is USBC Certified.
2. USBC Rules and Regulations will govern this tournament. The tournament is open to all bowlers 50 years of age and older as of August 1, 2015. All bowlers must have a 2015-16 USBC card or show proof of payment.
3. Competition will consist of Singles and Doubles. All Events is optional. All Events will be calculated using the first Singles score and first Doubles score rolled in competition (Rule 315d).
4. Handicap will be **80% of 220** scratch. There will be five divisions based on age for each event. The Doubles Division will be based on the age of the youngest bowler on the team. Deliberate misrepresentation of age will result in disqualification.
5. **Deadline for Original Entries is October 10, 2015. Postmarks will be used for entry submission. Walk-in entries will be allowed but are subject to lane availability.**
6. Multiple participation USBC Rule #315 applies. Bowlers may participate as many times in each event as they wish but may only cash once in singles and in doubles as often as partners are changed (USBC Rule #315b.2). Re-entries are subject to lane availability.
7. Rule 319a-2, Rule 319d and Rule 319e are waived in their entirety for this tournament.
8. Each entrant must present his or her 2015-16 USBC membership card (if available) thirty minutes before his or her scheduled squad time. If any changes to the line-up are necessary check in will be one hour before the scheduled squad time.
9. Entering Average Rule:
 - a. Highest USBC sanctioned league average (yearbook) for the 2014-15 winter season.
 - b. If no 2014-15 winter average (yearbook) then use the highest 2014-15 sanctioned summer league average, minimum of 21 games. The Association Manager will verify.
 - c. If neither a. nor b. applies then the current season league average as of the date of bowling, 21 games or more, may be used. The League Secretary will provide verification.
 - d. If none of the above applies then an average will be assigned based on Class. Class A – 170, Class B – 180, Class C, 190, Class D – 200 and Class E – 210. Rule 319b.
10. It is the bowler's responsibility to verify the accuracy of his or her average. Failure to use the correct average will disqualify that score if the actual average is higher than reported by the entrant. The tournament manger will base prize winnings on the submitted average if it is higher.
11. All prize money will be returned 100%. The payoff will be at least 1 in 5 for Singles and Doubles and at least 1 in 10 for All Events. In the case of a tie for a money position, the money for each place affected will be combined and divided equally. In the case of a tie for First Place in an All Events Division the Tournament Manger will schedule a one game roll-off, score with handicap, on the tournament lanes to determine the winner of the Greater Charleston USBC Association plaque.
12. The champions of the five All Events Classes will receive a Greater Charleston USBC Association plaque.

DEADLINE FOR ORIGINAL ENTRIES IS OCTOBER 10, 2015
