2021-2022 GCUSBC Women's Match Games Tournament Rules

1. This tournament will be certified with the US Bowling Congress (USBC) and USBC rules will govern except as noted below.
2. Current **female** members of the Greater Charleston USBC for the 2021-22 bowling season will be eligible to participate. Bowlers must have purchased card no less than 1 week prior to the tournament and must have bowled a minimum of 3 games in a league in the Greater Charleston area.
3. All bowling will be on a scratch basis.
4. Each participant will bowl 6 qualifying games and earn points, plus or minus, based on a scratch score of 180 for each qualifying game. The Tournament Director will determine the number of bowlers who will advance to Match Play. The maximum number will be 6. In case there is a tie for the last spot in Match Play, a one game roll-off will immediately follow the qualifying competition. Should a finalist fail to participate in any game in Match Play, their opponent will automatically earn the win with bonus points awarded but the game must still be bowled for score. Failure to appear will constitute forfeiture of prize money
5. Match Play finals will be scratch with 30 bonus points awarded to the winner of each game. Should a tie occur then each contestant will receive 15 points. Each finalist will bowl all other finalists once, with the final game being a position round. In the case of a tie for 1st place at the end of the final game of Match Play, a one game roll-off will be held to determine the winner. The winner will be declared the Greater Charleston USBC Women's Match Games Champion and will be awarded 1st place money as well as a trophy. All other ties will be broken by a 10th frame roll-off.
6. All prize money will be returned 100% after lineage is paid. **Any extra lineage money remaining after the center has been paid shall be added 100% to the prize fund.**
7. All participants making Match Play will cash in the tournament. The bowler who qualifies one place outside of Match Play will be deemed the alternate and be eligible to bowl if one of the qualified bowlers does not appear for Match Play. **The alternate will receive their entry fee back on the condition that they show up to Match Play and gather scores if not bowling.**
8. The Tournament Director has the authority to disqualify any contestant for unsportsmanlike conduct or improper attitude during tournament play. The Tournament Director will make decisions regarding tournament play based upon USBC tournament rules.
